

Dear Friends,

Thank you so much for being a part of our 2020 banquet. I hope that you'll find everything you need in this packet to have a great experience on the night of the banquet.

We won't be able to share a meal together this year, but each family that Ezekiel Ministries serves will get to enjoy a family meal on *your* behalf!

Our hope is that we can communicate to you the exciting and life changing work that God is doing through Mentoring at Ezekiel Ministries. None of this work would be possible without generous folks like you investing your time, talents and treasures into the mission. We can't wait to see ALL that He will do in the coming year through the faithful work of the many men and women from His Church who dedicate so much to the children and families in our city in the toughest of situations. With your help, children will understand their great value in the eyes of God and beat the odds that are so often stacked against them.

Sincerely,
